Welcome to The Learning Center at CCGI. We are committed to providing a safe, fun, and loving environment for your child during their early years of growth and development. The Learning Center is a caring center in which parents, children, and staff work together to provide a quality enrichment program. We offer childcare for ages 2-5.

Please take the time to read the entire handbook. If you have any questions during the year, please feel free to talk to a Learning Center staff member.

Security Policies

Parents or other authorized adults must accompany the child to and from the classroom and make certain that a staff member acknowledges the child's presence. When picking up a child, the adult should make certain that a staff member is notified. Children may leave the classroom with an authorized person only (those listed on his/her emergency card.) NO EXCEPTIONS!

Authorized persons, other than the enrolling parent, will be asked to identify themselves with a valid driver's license or photo identification before a child is released. All parents always have access to their own children. If this should not be the case for your child: please bring a legal document to the

director for special arrangements. Copies of such documents must remain in your child's file. It is the parent's responsibility to update any necessary information on their child's Identification and Emergency Information Form. Staff must be able to locate you if your child becomes ill or injured.

Sign-In Sheets

All children must be signed in and out by an authorized adult each day. A legible printed name and time must be used each day when you drop off your child and when you pick up your child. It is the parent's duty to sign in correctly. If your child is not signed in correctly, we cannot accept responsibility for that child. The State Licensing evaluates all sign in sheets yearly and requires that parents write clearly.

Medication

A Learning Center staff member will administer medication if a "Medication Authorization Form" has been completed. Medicine must be given to the Director with the child's name, dosage amount, time, and reason for medication.

Accidents and Injury Reports

Accident Reports will be filled out by the teacher on duty when a minor accident (scrape, bump, etc.) occurs. The teacher supervising the class, the parent and the Director must sign the Accident Report Form and file the form in your child's file. Parents will be called immediately in the event of any serious or questionable injury. If a parent or guardian cannot be reached and an emergency exists, the staff will seek medical care as needed and as designated by the Identification and Emergency Card.

Snacks and Lunch

The Learning Center provides morning and afternoon snacks. Snack is served at 9:30am and 3:00pm. Please have your child at CCGI by 9:00am.

Discipline

Discipline is not a punishment. Our staff models appropriate behavior and teaches the children manners that the child can use in everyday situations. Our staff uses positive techniques which include redirection, problem solving, communication, and reinforcing positive behavior. No one is allowed to hurt (physically and verbally) another person. The use of words to express our feelings are encouraged and modeled.
