What We're Learning This Month

Spring is here! That means warm weather is on the way. We planted seeds in March and we have been enjoying watching them grow! Soon, our butterfly unit will start and we will hatch butterflies in our classroom.

This month we will celebrate Easter with our friends with many Easter activities.

We will be closed April 15th & 18th.

We will begin practicing songs for our preschool graduation. We will send home more information regarding the preschool graduation program soon.
